Air Waybill Instructions for Domestic Shipments

Please follow the instructions below:

- Tape the air waybill directly to the package
- If a document holder/sleeve is used, print address labels from eShip Global and tape directly to the package adjacent to any hazard labels that may be required (e.g. dry ice label)
- For dry ice shipments tape the dry ice label directly to the package. The diamond shape on the dry ice label must measures 100cm X 100cm
- For dry ice shipments make sure the quantity of dry ice is indicated, in kilograms, on the dry ice label

DO NOT ship these materials until you have met all regulatory requirements.
